

Bhrocure samsung TV 32N4003

Clean View

Clean View reduces noise and interference, while enhancing colour and contrast for the crystal clear view. Enjoy everything with refined image quality.

Wide Colour Enhancer

Bright, rich colours await. Wide Colour Enhancer improves your image quality and uncovers details with colours as they were meant to be seen.

HD picture quality

Enjoy HD TV in Digital era. Once you see high definition of TV with vivid and crisp details, you'll never look back to standard definition or analog TVs.

* Pixel representations on TV screen are simulated scene to help consumers understand.

Connect share movie

Plug your favourite entertainment and media into your TV – watch videos, play music, or view photos through a USB connection.
